Jan. 16, 1936 PERSONAL HISTORY

Mrs. Charles Piper was in Beleintenforf by Gefell, in Saxony, Germany. She and her brother Hermas Fiedler, lived there with their grandparents until their mother, who had been in Prairie du Chien, Wisconsin, returned to Germany to take them back to United states with her. Mrs. [Piper?] was then seven years of age. Mrs. Moran

Mrs. [Piper?] has a Saxony costume, Baby Cap, stocking and other articles of clothing (original Sazon[?]) which she may give the Museum. She wishes to discuss this with her brother Mr. [Herman?] Fiedler, 144 [?]. Gilman. Think it most likely that these things will be given to the museum. Mrs. Piper also had a piece of homespun linen, the [spinning?] of which is [mentioned?] in this interview. This will also be included with other articles for the Museum.
